## PROJECTS

Portfolio: [www.ayushsingh.net](http://www.ayushsingh.net)

## SUMMARY

I am a professional **Front end developer** with the sense of **UI/UX design**. I like to take responsibility for crafting end to end User Experience from prototyping to develop the actual product. I help to craft **great user experiences** using **modern frontend architecture**. I am passionate about knowing how things work under the hood. I love to constantly improvise, challenge my limits and raise the bar.

## PROFESSIONAL EXPERIENCE
